

Case: 22-10964

Name: Werner, Daniel H.

e-mail: danielhwerner@gmail.com

I am Daniel H. Werner, a Celsius creditor from Brazil, urgently seeking your kind consideration regarding my coins distribution. I have had an active account at Coinbase since 2021.

The account has always been active, with the same e-mail and with Full KYC Information, level 2, since the beginning, as shown in the screenshot below:

Even so, in Feb 2, 2024, I received a communication from "Stretto Celsius Network" claiming that they were unable to process my distribution.

All my information is/was correct.

Today is March 12, 2024 and I still haven't received my distribution or information about what to do.

Please, I request due attention so that I can receive my funds through Coinbase or that instructions be sent on what I must do to make the distribution happen.

With sincere thanks,
Daniel H. Werner

Below I am showing more information about my case and my accounts, showing that the information on Coinbase is correct and the email received informing that the distribution was not carried out.

In Feb 2, 2024, I received a communication from "Stretto Celsius Network" claiming that they were unable to process my distribution:
